MELBOURNE DISTRICT

As another year draws to a close I can reflect on a year of progress and consolidation for Melbourne District Veterans Golf Association.

Our Membership is capped for practical reasons and our financial position remains strong.

Firstly I take the opportunity to extend thanks to the members for their support and importantly their punctuality when registering at events.

The Operations Committees' task is made so much easier when all Members register by the stated time and it must be said that the response to this request has been most positive.

The Operations and Match Committees' duties have been performed with commendable efficiency as usual and I extend my sincere thanks to them.

Our Captain Keith Kendall retires as Captain after long and valuable service but will remain as a valued Committee Member and his contribution is well known to all.

Richard Froebel will assume the position of Captain bringing a wealth of Club, State and National golfing experience to the position.

Our Secretary Stewart Ley and Treasurer Len Symons continue to perform in a fashion that suggests that their duties are simple. However, establishing of the Programme of Events each year is one example among many example of the challenges they face.

Our website has proved to be a valuable asset and Kevin Milner administers this facility admirably improvements being progressively introduced.

Membership matters continue to be ably administered by Bill Rhoden with the present subscription collection method proceeding satisfactorily.

Special thanks to David Teasdale for his Newsletter and as we use shotgun starts his course maps have indeed proved useful.

Gratitude is extended to Parmaker, The Hacker Magazine, China Golf Tours and LTD Promotions for their continued sponsorship and support.

The Parmaker website www.parmaker.com.au/vvga provides a coverage of VVGA activity and members are encouraged to access this and consider participation at State events.

In conclusion let me once again emphasise my appreciation of the support of the Membership and the valued contribution of our excellent committee, wishing you all good health and happiness.

Paul Campbell.

CAPTAINS REPORT YEAR ENDING 30-6-11

This is my 14th and final report as your Captain. I have enjoyed the position and am most grateful to have received such magnificent support from my fellow committeemen and the members and I thank you all for making it such a pleasure.

I am pleased to hand over to Richard Froebel who has been a great help to me and has the experience and ability to further develop and continue the ongoing culture of our District.

⊗ We have been able to continue to provide our members with prompt and accurate presentations and combined with the smooth operation in getting fields away ensures our events provide maximum enjoyment to our players.

During the 14 years of my captaincy I have witnessed the gradual introduction of technology which has enhanced our activities and enabled us to develop sophisticated procedures that have contributed to our efficiency but at the same time we have maintained our traditional culture of sportsmanship and good fellowship.

⊗ Stewart Ley has maintained the Secretarial tradition and has been of great help to the Match Committee along with the general committee and I thank them all with particular thanks to Len Symons for his contribution.

In conclusion I wish to once again acknowledge the members of our District for their great friendship, sportsmanship and cooperative attitude. We can approach the future with extreme confidence.

SECRETARY REPORT 2011.

I commend both our President and Captain for their very comprehensive reports which cover the very successful 2010-2011 Veterans golfing season. Most of our Members would be aware of the ending of our 25 year relationship with the Kingston Heath Golf Club following a directive from their Committee to reduce the amount of corporate golf. There is evidence that several of the so called exclusive top end golf clubs are seeking fees that are beyond our means.

Thank you to all our Members and our hard working and cohesive Committee for their support with good wishes to our new Captain and Vice President in their new roles.

A special thank you to Len Symons for his very able assistance.

Business was conducted under the rules of the Incorporation Act 1981.

STEWART LEY.

TREASURERS REPORT

I am pleased to report that the District operated marginally above breakeven with a small surplus of \$84.84. Expenses were subject to continued tight control.

I would like to thank Stewart Ley our Secretary for the time and effort put into the District, also thanks to Kevin Milner as our Webmaster – his expertise in computers is of great advantage to our Membership and his overseeing of the current complete new website which will shortly be undergoing testing prior to full implementation is very much appreciated. Also thanks to David Teasdale for his merchandising efforts and newsletters. My thanks also to the members of the Operations Team and to Robin George for assisting with the cash on game days (when he is on the desk).

I would also like to add my personal appreciation for the efforts of all the other Members of your Committee.

I have pleasure in presenting these accounts to the Membership and would propose that the Audited accounts as presented be approved and in accordance with our Constitution that the continuance of our current annual fees of \$30 (with a rebate of \$5 to those Members who have attained the age of 70 and have completed five years of membership) and also the continuance of the nomination fee of \$70 be approved.

Len Symons, Treasurer
