

Patterson River Golf Club – 8 August 2022

MATCH REPORT

A field of 63 members and guests attended today’s event played at the Patterson River Golf Club, on the third attempt after being cancelled in 2020 and 2021 due to Covid. The course was in a very good condition considering the amount of rainfall of late. The greens were a standout, lush green and quite fast for winter conditions. Patterson River is again on the MDVGA calendar in 2023.

The morning conditions were perfect for winter golf, a little chilly, very little wind and with a little dew on the fairways for the tee off. As the morning progressed the sunny conditions made for perfect golf, however looking at the scores it was a tough day in the office for most of the players. Maybe it was the large greens making for three putts or maybe the unfamiliar course. Only 13 players had scores or 32 or better.

A warm welcome to our member guest Graham Holmes from Commonwealth.
