

Cranbourne Golf Club – 19 June 2023

MATCH REPORT

A very wet morning greeted the players at Cranbourne. There was every chance the event would be cancelled however the overnight rain stopped at around 7.30am and after some discussion between the club and the players those that wished to play would be able to play with the restrictions that all bunkers were GUR, no carts, and relief on the greens as necessary. The field was reduced to 29 players and once play began it was evident that the greens during early play were still holding considerable amounts of water.

Given the conditions and the state of the course the Cranbourne Cup was abandoned, scores would not be uploaded to Golfink, there would be a single Stableford grade competition, no NTPs and finally no GOY points would be awarded for the round.

The standard winner and runner up prizes were modified, the winner receiving a round of golf for 4 at Cranbourne and the runner up and third places receiving a sleeve of balls each.

A warm welcome to our two member guests, Peter Grace and Derek Jury, both from Heidelberg.
