

Spring Valley Golf Club – 5 June 2023

MATCH REPORT

A field of 66 members and guests attended today's event played at the Spring Valley Golf Club. Given the amount of rain lately the course was in a superb condition. The greens were soft but were running reasonably fast and true. The fairways were covered with dew in the early morning but this burnt off as the day warmed up.

The weather was perfect for winter golf, not too cold early on and with little wind until the very end of the morning. Most of the cold weather clothing was not needed by mid-morning when the sun had properly risen and the day had warmed up.

There were 22 players with scores of 32 and above and they each received a ball for their efforts.

My apologies for not acknowledging our five member guests at the presentation, Margaret Harbinson from Eastern, John Tanti from Northcote, Dean Jamieson from GenY, Andrew Patterson and Glenn McBurney both from Spring Valley.

OneGolf Update

OneGolf is a cut down version of MiClub so when you enter the MDVGA OneGolf website it will look a little different to what your private club MiClub website might look like however when it comes to bookings, scoring, results etc it is the same.

Many members at Spring Valley and previously at Yarra Yarra were given an initial password for their OneGolf accounts. I would ask those members to change that password to something that they will remember.

The actual bookings for Cranbourne will be via the existing booking system however OneGolf booking for Cranbourne will be open at the same time as a trial, so I would encourage members who book into the Cranbourne event using the existing booking system to also log on to OneGolf and book themselves into the same tee position as they have on the current booking system so that you can get yourself familiar with the system. This will minimise issues when the actual booking system changeover takes place. If a member has trouble with the trial Cranbourne OneGolf booking one of the committee will be able to take you through it after the presentations at Cranbourne.

On the OneGolf fixtures list there is also a test event with the date 25 Dec 2023 at St. Andrews – The Old Course. Feel free to use this event to add a booking, delete a booking etc. to get yourself familiar with OneGolf booking. With respect to adding a guest all you need is a valid Golfink number, not a name. OneGolf will automatically check if the entered Golfink number is a valid number and the name associated with that Golfink number will be displayed on the booking sheet so you will be able to see if you have the correct Golfink number or not.
