

Rod Perrin (Deceased) - Elected 2007

Membership Secretary 1993 – 2005

Joined 1983 Member Eastern GC

Rod attended the inaugural meeting where the creation of the Melbourne District was proposed and was elected to the Committee at that meeting.

The Membership Secretary position was established 1993 (the duties previously being handled by the Secretary) and Rod kept the Membership data in those early & pre computer years by hand – at one point the District having in excess of 600 members.

The maintenance of such a data base including written communication to new members & the recording and collection of annual subscriptions is a pivotal role in the District and Rod's role as a Member of Committee and Membership Secretary for a period of over 20 years was an outstanding contribution to the District.
