### Preamble:

The Association's By-Laws are made pursuant to Rule 42(3)(c)

### **By-Law 1 - Life Membership criteria – refer Rule 14(d)**

The Committee have decided that a more definitive criteria should be provided with the criteria to be as follows:

- 15 years membership of the Association
- Served 2 terms (4 years each) on executive committee (President, Captain, Treasurer, Secretary or Membership Secretary).

Accordingly, the first sentence of Rule 14(d) in respect to Life Members which currently reads:

“Life Members, A playing member for a period of not less than 9 consecutive years, who has rendered outstanding service to the Association may be nominated for Life Membership”.

will be amended to incorporate these updates and will read as follows:

Rule 14(d) Life Members, a member of the Association who has not less than 15 years membership of the Association and who has served at least two terms (4 years each) on executive committee (President, Captain, Treasurer, Secretary or Membership Secretary) may be nominated for Life Membership.

*The remainder of the Rule remains unchanged:*

Nominations must be made by three or more current members (in writing) to the Committee. The Committee may, at their discretion, pass the nomination to the next AGM for approval by at least two thirds of the members present. Life Members are then entitled to all the privileges of membership without payment of further Annual Subscriptions. Life Members will be entitled to play four games per year with the Association at the Local Member charge (ie the first four games played by the Life Member in a calendar year) and may also be invited to participate in selected events from time to time by the Committee.
